NEO Website Guide Pack — Read Me

Index, intended users and recommended implementation sequence

Purpose
Practical working brief for NEO's design, webmaster, content and development teams.

Working document | 02 November 2026

1. Document set

No.	PDF	Primary user
01	01_NEO_Website_Concept_and_Positioning_Guide.pdf	Project owner, leadership, strategy and design lead
02	02_NEO_Website_Structure_and_Sitemap.pdf	UX architect, information architect, SEO and webmaster
03	03_NEO_Homepage_Content_and_Wireframe_Brief.pdf	UX/UI designer, content designer and frontend developer
04	04_NEO_Website_Features_and_Technical_Requirements.pdf	Webmaster, technical lead, developer and security reviewer
05	05_NEO_Website_Content_Master_Copy.pdf	Copywriter, translator, content editor and CMS publisher
06	06_NEO_Homepage_Design_Direction.pdf	Art director, UI and visual designer
07	07_NEO_Visual_Identity_and_Design_System.pdf	Brand designer, UI designer and frontend developer

2. Recommended implementation order

• Read 01 and confirm positioning and claims.

• Use 02 to establish navigation, URLs and page hierarchy.

• Use 03 to design and approve homepage structure.

• Use 05 to populate pages and prepare Indonesian localisation.

• Use 06 and 07 to produce visual system and high-fidelity UI.

• Use 04 to implement CMS, forms, SEO, security and technical requirements.

• Run acceptance testing and internal approval before launch.

3. Important publication controls

These PDFs are implementation briefs, not confirmation of legal, technical or product facts. Company particulars, product status, regulatory claims, integrations, certifications, partnerships and contact details must be verified by NEO before publication.
